Subject: Support Retirement for All!

Date: March 3, 2014 5:16:21 PM EST

Everyone deserves a secure retirement. We need a public state-run retirement plan that everyone can join. A public retirement savings plan would not incur the high fees Wall St. charges to manage retirement funds. This makes sense and is the only way to go in our current economy. Everyone should be able to retire with more than just SS after working their entire lives.
